

A Community Partnership Project

2011 Projects Need Your Support

Building on Hope is proud to announce its support for the following four projects planned for this coming May 2011. For more information about how you can help please contact: Emily Shakra, Co-Chair (603) 661-496 or EmilyShakra@aol.com or please feel free to contact the individual listed for the specific project.

#1 - Bridge Community Project, Littleton, NH

Bridge Community Project is a 501(c)(3) non-profit in Littleton, NH that is currently in the process of renovating a Teen Center in downtown Littleton. The purpose of this project is to allow teenagers in Littleton the opportunity to socialize, recreate, and have fun in a safe and positive environment. A Teen Center is vitally needed in Littleton, where many teens roam the streets and have no access to a place to call their own. The Teen Center will be about 4,500 sq. ft. and will exist inside a large, 37,000 sq. ft. landmark building in Littleton. The Teen Center is scheduled to be fully renovated by early May 2011. They are currently financed by the White Mountain Christian Church in Littleton and they have all of the volunteers needed to finish.

Current project needs:

At this time, they need the following items: Flooring materials for installation; Ceiling materials for installation; Lighting; Windows; Heating; Fixtures; Furnishings (furniture, sports equipment, games, etc.)

Contact information: James Anan, Director. (603) 444- 6517 or (603) 444-1754 jimanan7@gmail.com

#2 - Camp Allen, Bedford, NH

Camp Allen is a 501(c)(3) non-profit camp in Bedford, NH that provides an overnight camp experience for individuals of all ages with disabilities or special needs. The purpose of this project is to renovate their lower camp (Wams area) with new doors, windows, ramps, roofing, and landscaping. The lower camp area consists of 4 cabins that require these renovation items. Camp Allen received a sizable donation recently and plans these plans to be completed by May.

Current project needs:

At this time, they need the following items: Doors; Windows; handicapped Ramps; Roofing; Landscaping; Interior cabin design assistance.

#3 - Odell Park Centennial Project, Franklin, NH

The Odell Park Centennial Project is a committee of volunteers who have been working over the past 4 years to revitalize Odell Park in downtown Franklin, NH. The committee has completed lots of successful projects to date and the purpose of this project is to add a fitness station along the walking trail where individuals and families congregate. They have raised enough money to install this station. The scheduled ribbon cutting will be Saturday, May 14. This is the Annual Community Day in Franklin. The goal will be to implement 4 total fitness stations in the future.

Current project needs:

At this time, they need the following items: Exercise equipment for the next 3 fitness stations.

#4 - New Life Home for Women and Children, Manchester, NH

New Life Home for Women and Children is a 501(c)(3) non-profit in Manchester, NH that allows women who have experienced traumatic life experiences to live in a safe place. This program is unique because children are able to live with their mothers at New Life Home. The purpose of this project is to renovate their Children's Playroom and Learning Center. This project is financed by volunteers and the timeline is tentatively set for April 20 to May 7.

Current project needs:

At this time, they are in the need of the following items: Ceiling repairs; Wall repairs and paint; Bookcase repairs; Stair treads to be sanded and refinished; Steel posts to be primed and painted; Doors to be primed and painted.
